FPS-SET

FULL PNEUMATIC SET

Designed and produced to help furniture companies with high-capacity production. It provides the ability to work without using hands in cutting and coating. The double hand latch on the cutting side is designed for safety, especially positioned away from the cutting edge.

FPS Set: It consists of 1 pneumatic coating press and 1 pneumatic cutting press.

FPS Set, which works with 6-8 atm air pressure, is offered for sale as ready to use. The machine allows you to easily apply your fabric, artificial leather and real leather, capsule coating works.

For perfect results: We recommend using Pro-Mikron capsules and spare parts.

PNEUMATIC PRESS

It provides ease of use of the foot pedal and offers the possibility to use two hands.
It is a universal press and allows various assembly works by changing the mold.
It works with 4-6 atm pressure and can be easily transported with its compact design.

STRONG HAND PRES

With its portable design, it is a compact machine preferred especially for non-workshop works.
Interchangeable molds allow both coating and cutting.
It is ready to use immediately with 1 simple mold and 1 cutting mold.
It is an ideal machine for repair, workshop, sample and amateur work.

HAND PRESS

This is an ideal machine for repair, workshop, sample and amateur work.
The fabric cuts by hand, cover with a simple mold

NAIL GUN

This is the best solution to rapid production and craftsmanship for fixing fabric-covered nail-button onto frames like bedhead, sofa arms etc.
It is necessary to obtain 5-6 bars of air pressure to work with nailer gun.

SLIDING MOLD

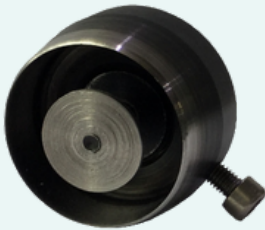

It is designed for use in capsule button and spiked capsule coatings. Thanks to its special design, it provides rapid coating with minimum effort.

This product is especially designed and developed to reduce the costs and ease the labor in upholstery producer companies with low capacity.

SIMPLY MOLD

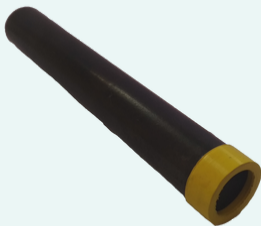

CUTTING DIE

The blades made of steel at high standards allow cutting a clean fabric without burrs.

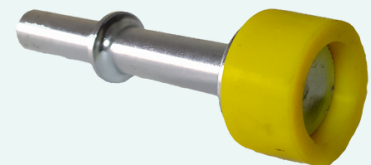

NAILER DEVICE HAND USE ONLY

KESTAMITE WEDGE

NAILER DEVICE FOR GUN
